by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 62-27-103, is amended by deleting that section in its entirety and by substituting instead the following:

62-27-103 (a) Any polygraph machine used to test or question individuals for the purposes of detecting deception or verifying truth of statements shall record visually, permanently, and simultaneously:

- (1) A person's cardiovascular pattern;
- (2) A person's respiratory or breathing pattern; and
- (3) Electrodermal or galvanic skin response pattern

as minimum standards of instrumentation.

(b) Patterns of other physiological changes in addition to subdivisions (a)(1) and (a)(2) may also be recorded.

(c) The use of any other instrument or device to detect deception or to verify truth of statements that does not meet these minimum instrumentation requirements is prohibited except that such other instrument or device may be used by law enforcement officers in the course of their full-time employment with a federal, state or local law enforcement agency who are certified to operate such instrument or device.

SECTION 2. Tennessee Code Annotated, Section 62-27-106, is amended by deleting that section in its entirety and by substituting instead the following:
